

KN U

KNUCKLE. *n. s.* [knucle, Saxon; *knockle*, Dutch.]
 1. The joints of the fingers protuberant when the fingers close.
 Thus often at the Temple-lairs we've seen
 Two tritons, of a rough athletick mien,
 Sourly dispute some quarrel of the flood,
 With *knuckles* bruised, and face besmeared in blood. *Garth.*
 2. The knee joint of a calf.
 We find also that Scotch skinck, which is a pottage of
 strong nourishment, is made with the knees and finews of
 beef, but long boiled: jelly also, which they used for a resto-
 rative, is chiefly made of *knuckles* of veal. *Bacon's Nat. Hist.*
 3. The articulation or joint of a plant.
 Divers herbs have joints or *knuckles*, as it were stops in
 their germination; as gillyflowers, pinks, fennel, and corn.
Bacon's Natural History.
 To KNU'CKLE. *v. n.* [from the noun.] To submit: I suppose
 from an odd custom of striking the under side of the table
 with the *knuckles*, in confession of an argumental de-
 feat.
 KNU'CKLED. *adj.* [from *knuckle*.] Jointed.
 The reed or cane is a watry plant, and groweth not but in

the water: it hath these properties, that it is hollow, and it is
knuckled both stalk and root; that, being dry, it is more hard
 and fragile than other wood; that it putteth forth no boughs,
 though many stalks out of one root. *Bacon's Nat. History.*
 KNUFF. *n. s.* [perhaps corrupted from *knave*, or the same with
chuff.] A lout. An old word preserved in a rhyme of pre-
 diction.
 The country *knuffs*, Hob, Dick, and Hick,
 With clubs and clouted shoon,
 Shall fill up Duffendale
 With slaughtered bodies soon. *Hayward.*
 KNUR. } *n. s.* [knor, German.] A knot; a hard sub-
 KNURLE. } stance.
 The stony nodules found lodged in the strata, are called by
 the workmen *knurs* and knots. *Woodward's Met. Ess.*
 KNOED for *knew*. *Stenar.*
 To KYD. *v. n.* [corrupted probably from *cuſs*, Saxon.] To
 know.
 But ah, un'uft and worthless Colin Clout,
 That *kydſt* the hidden kinds of many a weed;
 Yet *kydſt* not one to cure thy fure heart root,
 Whose rankling wound as yet doth riſtly bleed. *Spenser.*
